Prestige

Drapery Hardware

PRESTIGE Benefits

Canadian Drapery Hardware is proud to present this exclusive collection of drapery hardware.

We know what you, the valued window coverings professional, requires and demands.

CDH knows that quality, durability and design are of the utmost of importance to you, all of which we constantly strive to provide. We also know that PRICING is extremely crucial, especially in this very competitive marketplace.

We are therefore pleased and proud to offer you very AFFORDABLE PRICES based on the TOP QUALITY we are introducing.

YOU BE THE JUDGE!

COMPARE THE PRICES

READ THE "VALUE FEATURES"

and then

REALIZE THE DIFFERENCE WITH "PRESTIGE"!

At first glance, you will immediately see that the utmost in care and the highest in quality have gone into each and every aspect of the "Prestige" styles. The Collection includes:

1. SEAMLESS "Regal" CAFÉ rods. Now you can offer your clients a clean café rod without any seams;

2. "Regal" CAFÉ rods with MATCHING color brackets, finials & screws;

3. The finest quality of "Supreme" TRAVERSE rods;

4. The best paint finishes on " Premium" LOCK-SEAM, STANDARD & FLAT Curtain Rods and Sash rods;

5. SEAMLESS "Regal" TENSION rods with MATCHING color RUBBER ENDS and a superior quality spring alleviating the worry of collapsing rods due to tension or weight;

6. "Regal" CAFÉ rods and TENSION rods (1/2" & 3/4") with a rubber adapter fitted onto the end of the outer rod acting as a stabilizer which prevents the inner and outer rods from wobbling or snagging on the drapery;

7. "Majesty" WIDE POCKET rods, "Regal" DECORATIVE rods and "Supreme" TRAVERSE rods which include hardened screws to prevent the heads from breaking off and all packages include superior style wall plugs;

8. "Majesty" TENSION POCKET rods which include a pre-assembled locking spring mechanism preventing the spring from popping out;

9. All "Prestige" products are individually packaged in boxes or bags with descriptive labels and header cards, all in bilingual format (English/French) and include "easy-to-read" instructions & brackets;

10. The above is only a brief list of the many special features that make "Prestige" the future in drapery hardware.

As added bonus, every item within this collection is packaged in CDH's new colors, Mahogany/Aged Gold header cards, labels, bags and boxes; even "bulk" products are now packed in bags with header cards.

All boxed products such as wide pocket rods, decorative café rods and traverse rods have a high-resolution photo label as an added attraction to the consumer.

All packaged products have "grommets" built into the header card in order to protect the label from tearing on retail store fixtures.

We anticipate a great reaction from every company in the industry and we thank you in advance for your continued support and loyalty, both of which enable us to provide you with the most advanced products and best designs.

Prestige

Drapery Hardware

PRESTIGE Benefits

VALUE FEATURES FOR "SUPREME" HEAVY DUTY TRAVERSE RODS:

1. All rod sets are packaged in DECORATIVE BOX (Mahogany color) with high image full 3-D color PHOTO and descriptive label.
2. Includes " CHILD SAFETY WARNING LABEL" on cord. Complete ASSEMBLY INSTRUCTIONS are enclosed.
3. Wall END BRACKETS are "easy-to-use" push-on format.
4. REVERSIBLE MASTER CARRIERS are made of steel and are easily converted for "One-Way Draw" operations.
5. BALL-BEARING HOUSINGS make for a very quiet traverse operation.
6. Includes top-quality NYLON CORDING and heavy duty TRAVERSE GLIDES.
7. FLAT-TOP ROD style allows for a flush-mount installation to the ceiling.
8. WALL/FLOOR PULLEYS with safety door are included IN ALL SIZES to prevent cords from escaping.
9. Hardened SCREWS & WALL PLUGS (separately bagged & sealed to prevent scratching of rods) are included in each boxed set.

VALUE FEATURES FOR "MAJESTY" WIDE POCKET RODS:

1. All rods are made of top-quality PAINTED STEEL.
2. All rod sets are packaged in DECORATIVE BOX (Mahogany color) with a high quality color PHOTO and descriptive label.
3. ALL BULK RODS are packaged in a heavy duty POLYBAG with protected label and heavy GROMMET hole to prevent tearing on store fixture pegs.
4. A plastic FEEDER is included within boxed sets or packaged bulk rods for easy insertion into fabric pockets preventing tearing or snagging of fabric.
5. Each boxed set includes BRACKETS and CENTER SUPPORTS which are easily adjustable from 3 1/2" to 6" projection.
Screws & plugs (separately bagged & sealed to prevent scratching of rods) are also included in each boxed set.
6. 2 1/2" SPRING TENSION "MAJESTY" rods have a NOTCHED INNER ROD to act as a stopper for spring mechanism preventing the spring from popping.

The locking mechanism is preassembled & installed into the rod allowing for an easy installation of the finished rod & treatment.

VALUE FEATURES FOR "REGAL" CAFÉ RODS"

1. All "REGAL" café rods are made of ALUMINUM to avoid rust.
2. All brass color "REGAL" café rods have a high-gloss, polished brass finish and are lacquered to prevent tarnishing.
finest visual appearance after installation.
4. All "REGAL" café rods have matched color brackets. All café rods with extendable brackets include TWO-PIECE wall brackets giving extra support for heavier treatments. All brackets include BRASS color SCREWS.
5. All "REGAL" café rods have MATCHING color finials that cleanly fit both inner & outer rods (I.e. two different finial shafts for inner & outer rods).
6. All "REGAL" café rods have MATCHING color finials & brackets (white finials & brackets for white rods and brass finials & brackets for brass rods).
7. For 1/2" & 3/4" diameter rods, outer rods have RUBBER stabilizers to prevent rods from wobbling (brass rods include brass color stabilizers, white rods include clear stabilizers).
